Submitting a book review

MSo welcomes the submission of reviews of books that are of relevance to medical sociology. A list of books available for review is published in each edition, but the editorial team will also be happy to consider reviews of books not listed, provided they are of relevance to the medical sociology community. Please contact the editorial team if you would like a copy of a book for review. There is no prescribed format for reviews, although reviewers should provide the full reference of the book, including the price, number of pages and the ISBN. Reviews should be no longer than 1000 words. Completed reviews should be submitted as a Word document via email to mso@liv.ac.uk. Book reviews will not be subject to peer review, and the decision to publish them will be made by the editorial team. The editorial team also reserve the right to edit articles prior to publication.
